

CAMPBELL VALUATION
PARTNERS LIMITED

Experts In Value™
Est. 1976

Campbell Valuation Partners Limited is pleased to announce that **Kimberlie Jezior** recently qualified as a Chartered Business Valuator (CBV), and **Angela Ingram** recently qualified as a Certified Management Accountant (CMA), and obtained her Masters degree in Business Administration (MBA).

Kimberlie Jezior, CA-IFA, CBV, CFI, is also a CA-designated specialist in investigative and forensic accounting (CA-IFA), and a Certified Forensic Investigator (CFI). Kim is a Senior Director at CVPL and provides opinions on financial losses and irreg-

ularities, typically in the context of litigation. She has been qualified as an expert by the Provincial Court of Manitoba and the Ontario Superior Court of Justice.

Angela Ingram, MBA, CMA, previously obtained a Bachelor of Commerce Degree from Dalhousie University and is currently a finalist in the Chartered Business Valuator program. Angie is an Analyst with CVPL and focuses her practice on financial loss quantification and business valuation.

CVPL, founded in 1976, is Canada's longest established independent consulting firm specializing in business valuation, damages quantification, and related litigation support services.
